

Colina : *Glazed Ceramic*

We are proud to introduce our new addition to the Puccini family, a white body ceramic tile, called the Colina series. It comes in seven color selections. The light blue and green are gaining popularity among designers. The dimension is unique for this type of wall tiles, 4-1/4" x 21". Big tiles reduce grout joints which creates a more fresh look. The glossy with a slightly indented finish provides addition character to the tile. This tile will create a perfect finishing touch to a kitchen or bathroom project.
