

Talavera: *Glass*

Puccini is proud to introduce a new addition to our glass collection Talavera. A mesh-mounted glass mosaic with designs and a color palate inspired by the Mexican town of Puebla, it can be used in any project that calls for traditional style. Whether this product is applied as an accent piece or across an entire surface, the timeless, rustic look of Puccini's Talavera is sure to be a welcome addition to tile projects in homes, offices, or hotels.
