

Dutch East Indies: *Pebbles*

Indonesia is a country of many islands situated in Southeast Asia. This country has a diverse culture and is also known for its friendliness and hospitality. We at Puccini are very proud to introduce our new Indonesian pebble series in six colors. All these items are sliced and lightly tumbled. It can be installed on wall or floor, indoor or outdoor. It is a perfect selection for shower floors. We hope this new series will bring new concept and design elements to your customers.
